

# Total Demolitions (2002-2012), and Changes in Housing Units and Owner Occupancy from 2000 to 2010 City of Syracuse

This map shows the number of demolitions from 2002-2012 by census tract. Labels are the percent change in owner occupied units from 2000-2010. Unlabeled census tracts are those that were reconfigured between the censuses. The cross-hatched tracts are those with an overall decrease in the number of housing units from 2000-2010.
